Our Company History

Samrod Blinds was founded in 2001 by Michael Sammon. Having worked in the industry for over 20 years, Michael saw the need for a blinds company that focused on providing high quality blinds at affordable prices to both private and commercial customers.

Quality, reliability and integrity are the principles by which Michael conducts business. "We are a wholly owned Irish business which has gone from strength to strength over the past number of years. We pride ourselves on the quality of our work, our products and the reputation we have built, both with our customers and industry partners. We are proud to be one of the leading Irish owned private and commercial providers of blinds and window solutions in the Irish market."

Samrod Blinds Ltd are based in Kinsealy, Dublin. Our manufacturing facility is based in South Dublin and is operated by an skilled work force with extensive industry experience.

Our Mission Statement

Samrod Blinds Ltd mission is to be the market leader in the private and commercial blinds sector, both at home and abroad. Our aim is to always provide the very best quality blinds and window solutions to our customers.

We aim to secure Samrod Blinds future by offering safe, reliable, new and innovative product offerings, world class customer service and continue to invest in development of our business and our staff.

We Deliver Your Vision

Samrod clients come from a diverse range of industries, from healthcare facilities to restaurants and showrooms to office buildings. Our world class blinds, from components to fabrics, are tailored for your project, whether it is a small waiting room or a large production facility.

Samrod Blinds cater to small and large companies with the same enthusiasm and attention to detail.

“Samrod Blinds are exceptional at what they do. I have continued to work closely with them on all my premises. I would not use anyone else. Highly professional with world class customer and aftersales services.”

Michael Wright
WRIGHT HOSPITALITY

As Commercial Blinds Specialists in Ireland we understand your needs. We offer the latest technology and products available in window solutions. We understand that not all businesses are the same and we provide a high quality service and products suitable to your budget.

Healthcare Blinds

Samrod Blinds are uniquely qualified to provide high quality specialist blinds, designed for the healthcare market. We offer flame retardant blinds with an anti-bacterial surface. The soft furnishing solutions are hygienic, washable and practical. Samrod Blinds has experience in providing durable solutions for wards, waiting rooms, nursing homes, offices and patient rooms.

Nursing Home Blinds

Samrod Blinds has extensive experience in providing window treatments for nursing homes. We understand that our clients require specialist solutions that are safe, durable, practical, affordable and stylish. We offer a large selection of the newest blinds and designs to fit with any interior, ensuring that you can recreate a home from home environment for your residents.

Office Blinds

At Samrod we understand the importance of a good working environment for improving working performance, motivation and productivity. It is vital that we guarantee perfect screening and glare protection from the start to finish of every working day, Samrod blinds takes into account the relevant exposure value of the materials we use.

Our products are high quality, durable and meet EU safety standards. When providing blinds and window solutions for our clients, we take into consideration issues such as versatility, heat regulation, noise reduction, adjustable brightness & automation.

Education

Samrod offer the education sector a complete package of specialist blinds. All of our products are fitted with child safety devices. Fabrics are not only flame retardant but also durable & practical. Samrod provide specialist blinds, custom made to cover angular, sloping, roof lights and windows where black out is required.

SAMROD Blinds

"We are an Irish owned company who have been supplying and installing private and commercial blinds solutions to clients for over 20 years. As one of Ireland's leading corporate blinds specialists, we understand your needs.

We offer the latest technology and products available in the window solutions and shading industry. We listen to what you have to say and deliver to the highest standards, what you have come to expect, whether it be our products or our award winning customer service.

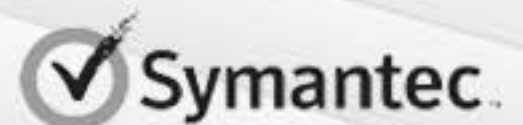

We work with some of Ireland's biggest and most progressive companies. These companies operate in the fields of medicine, fitness, the automotive and hospitality sectors. We would be honoured to add you to our list of corporate clients.

Our focus is on providing the perfect window treatments for you, your building and your business. We focus on quality, reliability, safety and customer service.

We are so confident in our product that we offer an unmatched 8 year warranty on all our made to measure blinds.
